Dedication

A superintendent who gave his whole hearted devotion and untiring efforts to the welfare of our school; a teacher of sympathetic understanding and wise guidance; a true friend of boys and girls.

His name will always live in our memory: "God gave us memory that we might have roses in December."

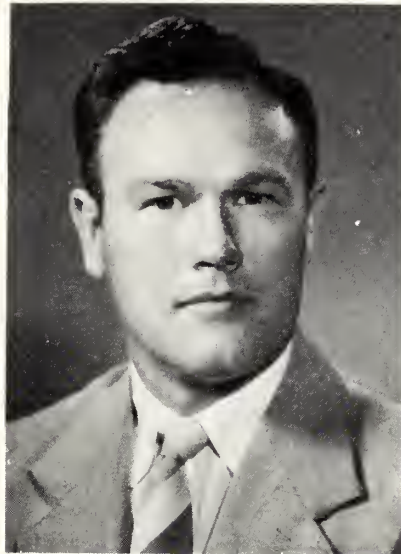

We gratefully dedicate this volume of "Torchlight" to the memory of our beloved Superintendent.

"Where are the pictures?", moans somebody, and the staff gets panicky until somebody finds them just where the editor left them.

Frankly we hardly know what to say. For the past months the staff has worked and played and found time to stick together the thousand odds and ends which go to make up an annual. It's been funny at times--and at times rather exasperating. Pictures didn't turn out and ideas wouldn't click. We hope that you can look back over the annual and recall a year which has affected all of us, and that the faces and places you see, and the pictures of the things you did won't be forgotten.

There's not much else to say. We've done our best. We like it, so if you like it, then we're satisfied.
